

Environment Club: Sample PA Announcements

Use the following sample PA announcements to help bring eco-conscious students together to form a school environment club.

PRIMARY and ELEMENTARY

Option 1. “It’s easy to be green but sometimes we need a little help. We’re looking for our most eco-friendly students to help green our school. Come to the (meeting location) on (meeting date and time) to learn more about forming a school environment club.”

Option 2. “Do you wish your school was more eco-friendly? Then it’s time to have your say! Come to the (meeting location) on (meeting date and time) to learn more about forming a school environment club.”

Option 3. “If you’re an environmentalist, then your school needs you! We’re looking for students to help make our school more environmentally-friendly. Come to the (meeting location) on (meeting date and time) to learn more about forming a school environment club.”

SECONDARY

Option 1. “Calling all environmentalists! Our school needs you! If you’re interested in joining the movement to green our school, come to the (meeting location) on (meeting date and time) to learn more about forming a school environment club.”

Option 2. “If you’re interested in shaping the environmental future of our school, come to the (meeting location) on (meeting date and time) to learn more about forming a school environment club.”

Option 3. “Are you passionate about environmental issues but not sure how to take action? Then it’s time to put your eco-enthusiasm to work! Come to the (meeting location) on (meeting date and time) to learn more about forming a school environment club.”
