

REDUCE PAPER

Be a role model for your students... do your part to Get to Half at School.

only print what is necessary

set printers and photocopiers to a double-sided default

edit documents on screen

reuse paper that is blank on one side for jot notes or art projects

recycle all used paper

encourage students to use both sides of a piece of paper

purchase recycled paper

minimize misprints by posting loading directions for special paper and using print preview

This poster is printed on recycled paper. Please recycle where facilities exist.
