

Recycling Blitz: Sample PA Announcements

Use the following sample PA announcements to help promote your recycling blitz. Engage students to read these announcements or come up with announcements of their own.

PRIMARY / ELEMENTARY / SECONDARY

Option 1. “It takes 300 years for a pop can to break down in a garbage dump and more than 1,000,000 years for a glass bottle! But it only takes minutes for you to recycle your drink containers. On (event date) bring your drink containers to our recycling blitz.”

Option 2. “In our province, we throw away 195,000 drink containers every day! But it’s easy to keep this waste out of our garbage dumps. Recycle your drink containers at our recycling blitz on (event date).”

Option 3. “Recycling one aluminum can saves enough energy to power a TV for 3 hours! Imagine how much energy we could save if everyone in our school recycled. Do your part for the environment by bringing your drink containers to our recycling blitz on (event date).”

Option 4. “In our province, over 1 billion drink containers have been kept out of our dumps through recycling. Stacked end to end, that’s enough containers to circle the earth four times! Let’s keep up the great work by bringing our drink containers to the recycling blitz on (event date).”

Option 5. “Recycled plastic can be turned into new things like t-shirts, toys, carpet, and even a fleece jacket! Help turn waste into a resource by recycling your drink containers at school on (event date).”
