2019-20 Solid Waste Management Innovation Fund GUIDE AND TERMS OF REFERENCE

(Submission deadline Monday, October 21, 2019 4:30 p.m. NST)

GENERAL

This guide contains all the information you need to submit a proposal under the 2019/2020 Solid Waste Management Innovation Fund (herein after referred to as the SWMIF). Please read the information provided before preparing a proposal.

DESCRIPTION

Provincially owned and/or operated businesses, industry associations and non-profit organizations are eligible for a non-repayable contribution covering up to 80% of the eligible costs of projects that support the implementation of the Provincial Waste Management Strategy in Newfoundland and Labrador. Funding will be to a maximum of \$15,000.00.

GUIDING PRINCIPLES

This program is intended to contribute to the fulfillment of a commitment made under the Provincial Waste Management Strategy of 2002; to maximize the economic and business opportunities through partnerships with business, industry associations, post-secondary institutions and the federal government.

As part of this partnership, government and its agencies such as MMSB are to initiate and support directed research and development into value added products from solid waste at every stage of the province's waste management hierarchy as follows:

1. **Reduce** the amount of waste created in the first place
2. **Reuse** materials and products rather than discard them
3. **Recycle** or reprocess waste into another useable form
4. **Recover** some useful benefit from waste
5. **Dispose** of waste material that has no further economic or environmental benefit

ELIGIBLE PROJECTS

Projects that support the management of solid waste in Newfoundland and Labrador at any stage of the waste management hierarchy are eligible. **Projects that involve innovation or uniqueness to the province of Newfoundland and Labrador will be given priority.**

ELIGIBLE PROJECT COSTS

- For equipment, service or material purchases over \$500.00, Proponents must attach three quotes and at least one user reference for purchases over \$5,000.00.

INELIGIBLE PROJECTS

Ineligible projects include but are not limited to the following:

- Clean-ups

INELIGIBLE PROJECT COSTS

Ineligible project costs include but are not limited to the following:

- Hours of work performed by the proponent or by a member of the immediate family (child, stepchild, ward, spouse, parent, sister or brother) of the proponent*
- Gifts and donations
- Advertising costs
- Alcoholic refreshments for any occasion
- Costs incurred prior to funding approval
- Refundable portions of HST

**Note: The requested contribution to hours of work performed by an existing employee must not exceed 50% of the total requested amount for the project.*

ADDITIONAL NOTE ON ELIGIBILITY

Where relevant, proponents may be required to complete any outstanding MMSB funded projects prior to being considered for a new award.

PROPOSAL MANAGEMENT

Proposals will be assessed by a Selection Committee comprised of representatives from the Department of Innovation, Business and Rural Development, Newfoundland and Labrador Environmental Industry Association, the National Research Council (Industrial Research Assistance Program), Atlantic Canada Opportunities Agency and MMSB.

The selection committee will rate proposals based on two overarching principles; possible impact to the waste management hierarchy (waste reduction or diversion) and innovativeness to the province. Demonstrated ability to successfully undertake the project will also be considered. All proposals will then be ranked in order from the highest score to the lowest to assess the top proposals. It is anticipated that successful proponents will be notified on or before December 31, 2019.

It is the responsibility of all proponents to clearly illustrate how the proposals relate to the principles of the SWMIF.
